# FEATURES

MODEL: CDF0001

- Unit designed to compete in the rigorous and demanding environment of busy kitchens in the most popular chain stores, franchises and high end restaurants.
- Powerful infra-red top heater
- Front mounted controls, ensure safe working practice.
- Independently controlled bottom heating element.
- Holds two 22lt plastic bins. 440 x 310 x 168mm
- Adjustable leveling feet with castor wheels on the rear.
- Sloped drip tray makes serving easier and avoids damage to the product being scooped out

## NOTE

When viewing the appliance from the front in its usual operating position, the width (W) of the product is the total distance from left to right; the depth (D) of the product is the total distance from the front to the back; the height (H) is the total distance from the bottom of the product to the top. Pictures may vary from actual product.

## DISCLAIMER

Output performance figures quoted are dependent on various factors. Anvil reserves the right, without notice, to make changes and revisions to product specifications, materials and design, when we believe it will provide better performance, durability, and efficiency. Unit measurements may vary depending on point of reference.
